Overview

Who is the CCM?

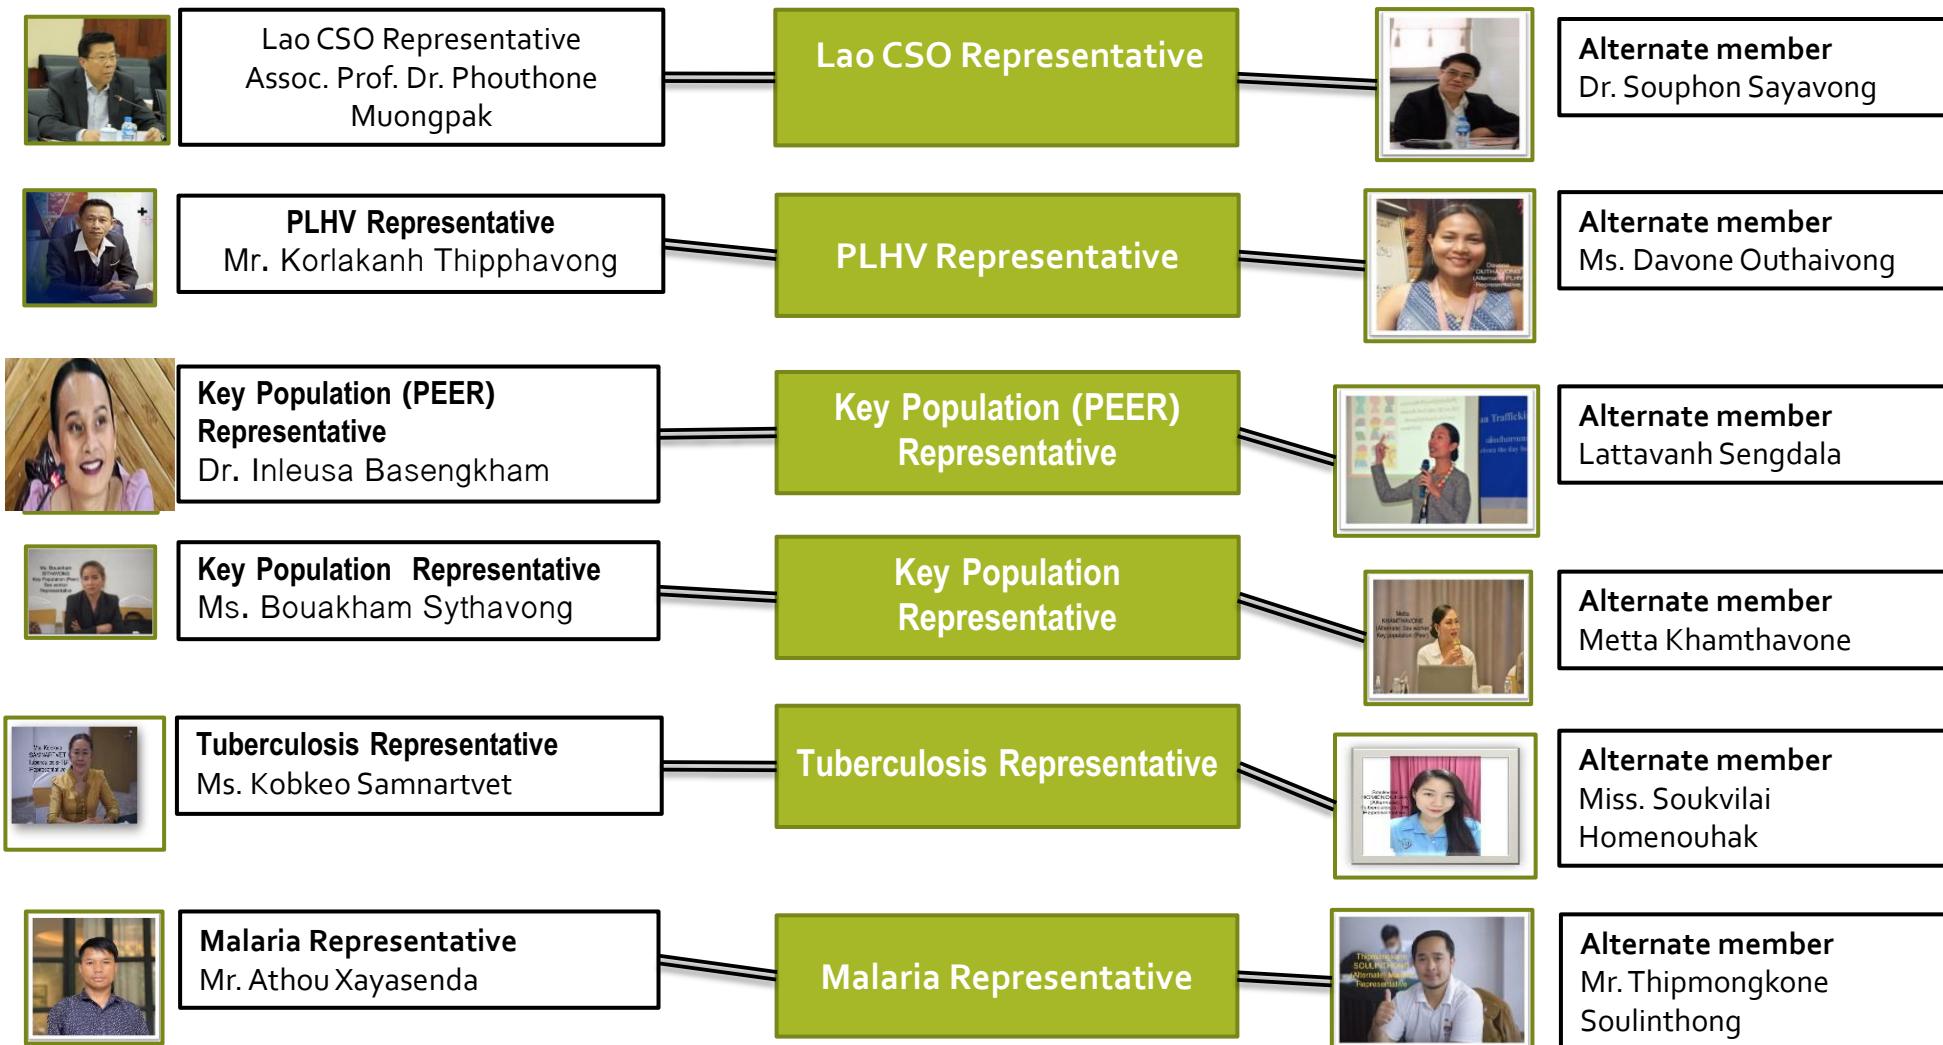

- 1) CCM members represent the interests of country level stakeholders in the fight against HIV, TB, and malaria.
- 2) CCMs are mechanisms for public-private partnership in the governance of national disease programs.
- 3) On behalf of the country, CCMs request financing from the Global Fund, and provide strategic oversight to ensure effective and strategic implementation of programs.
- 4) As individuals, CCM members are accountable to the sectors they represent and as a group the CCM is accountable to the nation.

CCM Composition in Lao PDR

Representatives structure

CCM -CSO-KPs and PLWDs

Progress Update (April to June 2022)

- Pre-meeting between CSO-KPs and PLWDs before the plenary meeting of CCM.

Progress Update (April to June 2022)

- Representative from CCM-KPs and PLWDs joined mission field with GF team in Oudomxay Province.

Progress Update (April to June 2022)

- Produced three cases studies related to community engagement for HIV, TB, MALARIA elimination.

Key challenges

1. No budget support for CSO-KPs and PLWDs action plan, only currently budget of pre-meeting supported by CCM sec;
2. The most current CCM members are new and limited capacity related to technical issues of funding investment related indicators and guidelines;

Recommendation

1. Considering for both members and alternates to attend the CCM meeting to learn the process, obtain information and raise their voices.
2. Technical and financial support allocation for CCM platform to meet our mission.
3. Considering our presentation and discussion early agenda of CCM meeting.

Way forward

1. Make a request the Technical Assistance from CRG and Expertise France to Support CSO's consultation facilitation and financial development for HIV and TB community response;
2. Financial mobilization to support CCM mission related to quarterly action plan (Training, monitoring and field visit, meeting)
