

Global Fund Milestones and Timelines for next investment

CCM Meeting 30 September 2022

Agenda

- 1. Global Fund overview of grant-life cycle**
- 2. Country Dialogue in Lao PDR**
- 3. Timelines**
- 4. Global Fund Application Approach**
- 5. Application form, core documents and annexes**
- 6. Questions and Answers**

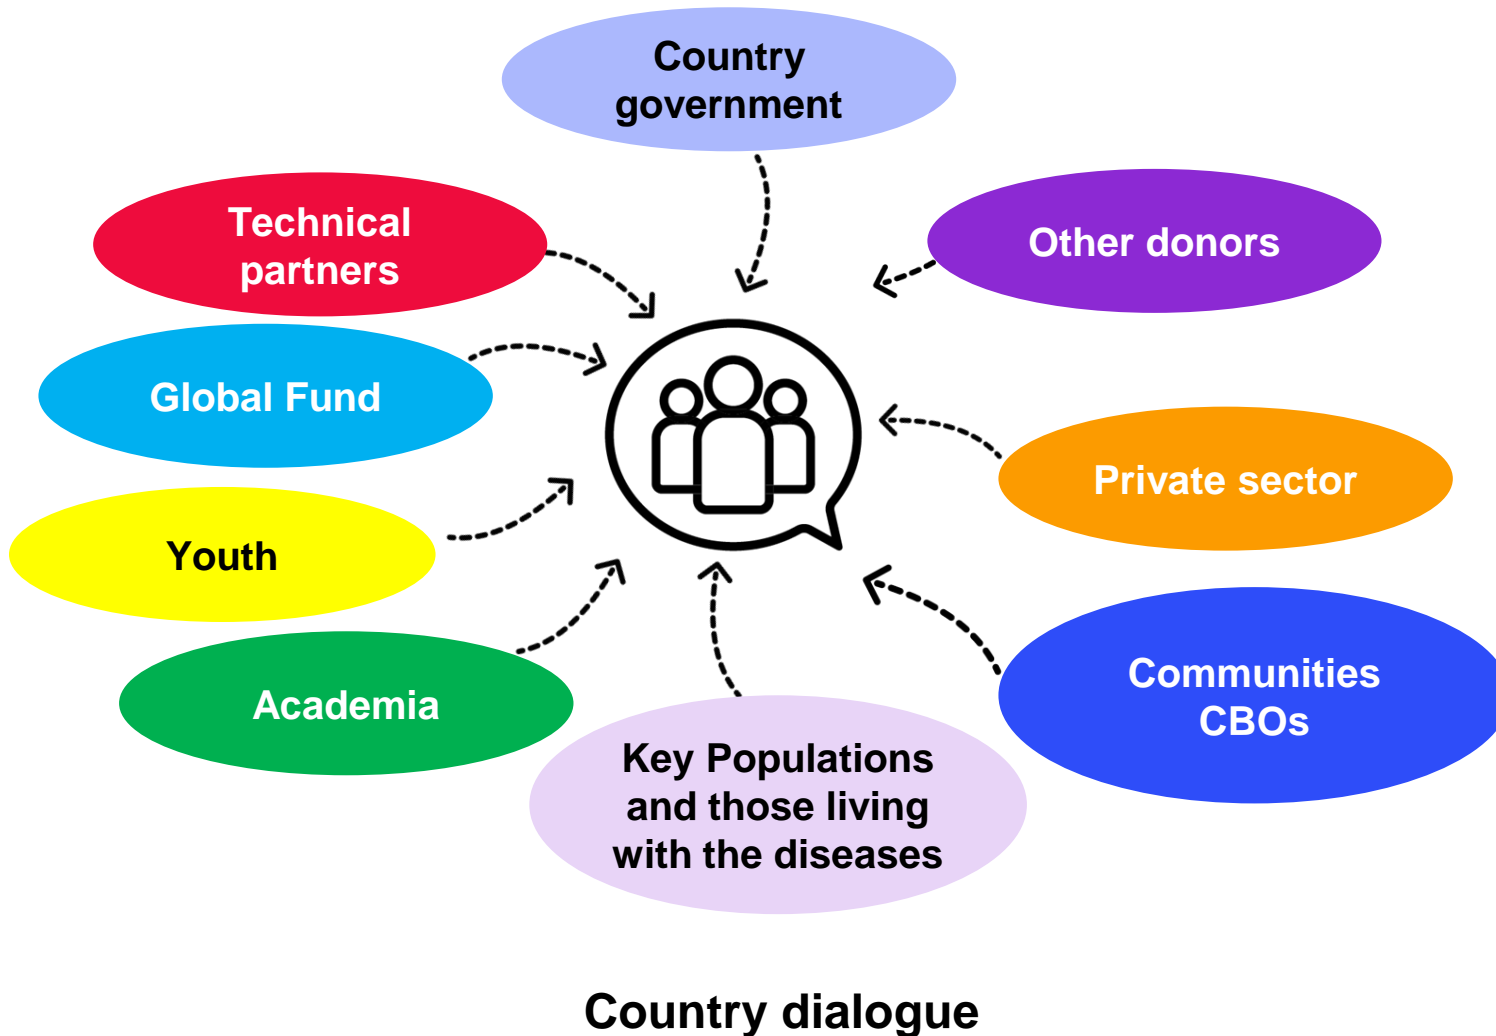

1. Global Fund grant-life cycle

 APPLICATION PROCESS:
6-9 MONTHS

 GRANT IMPLEMENTATION
3 YEARS

What is Country Dialogue?

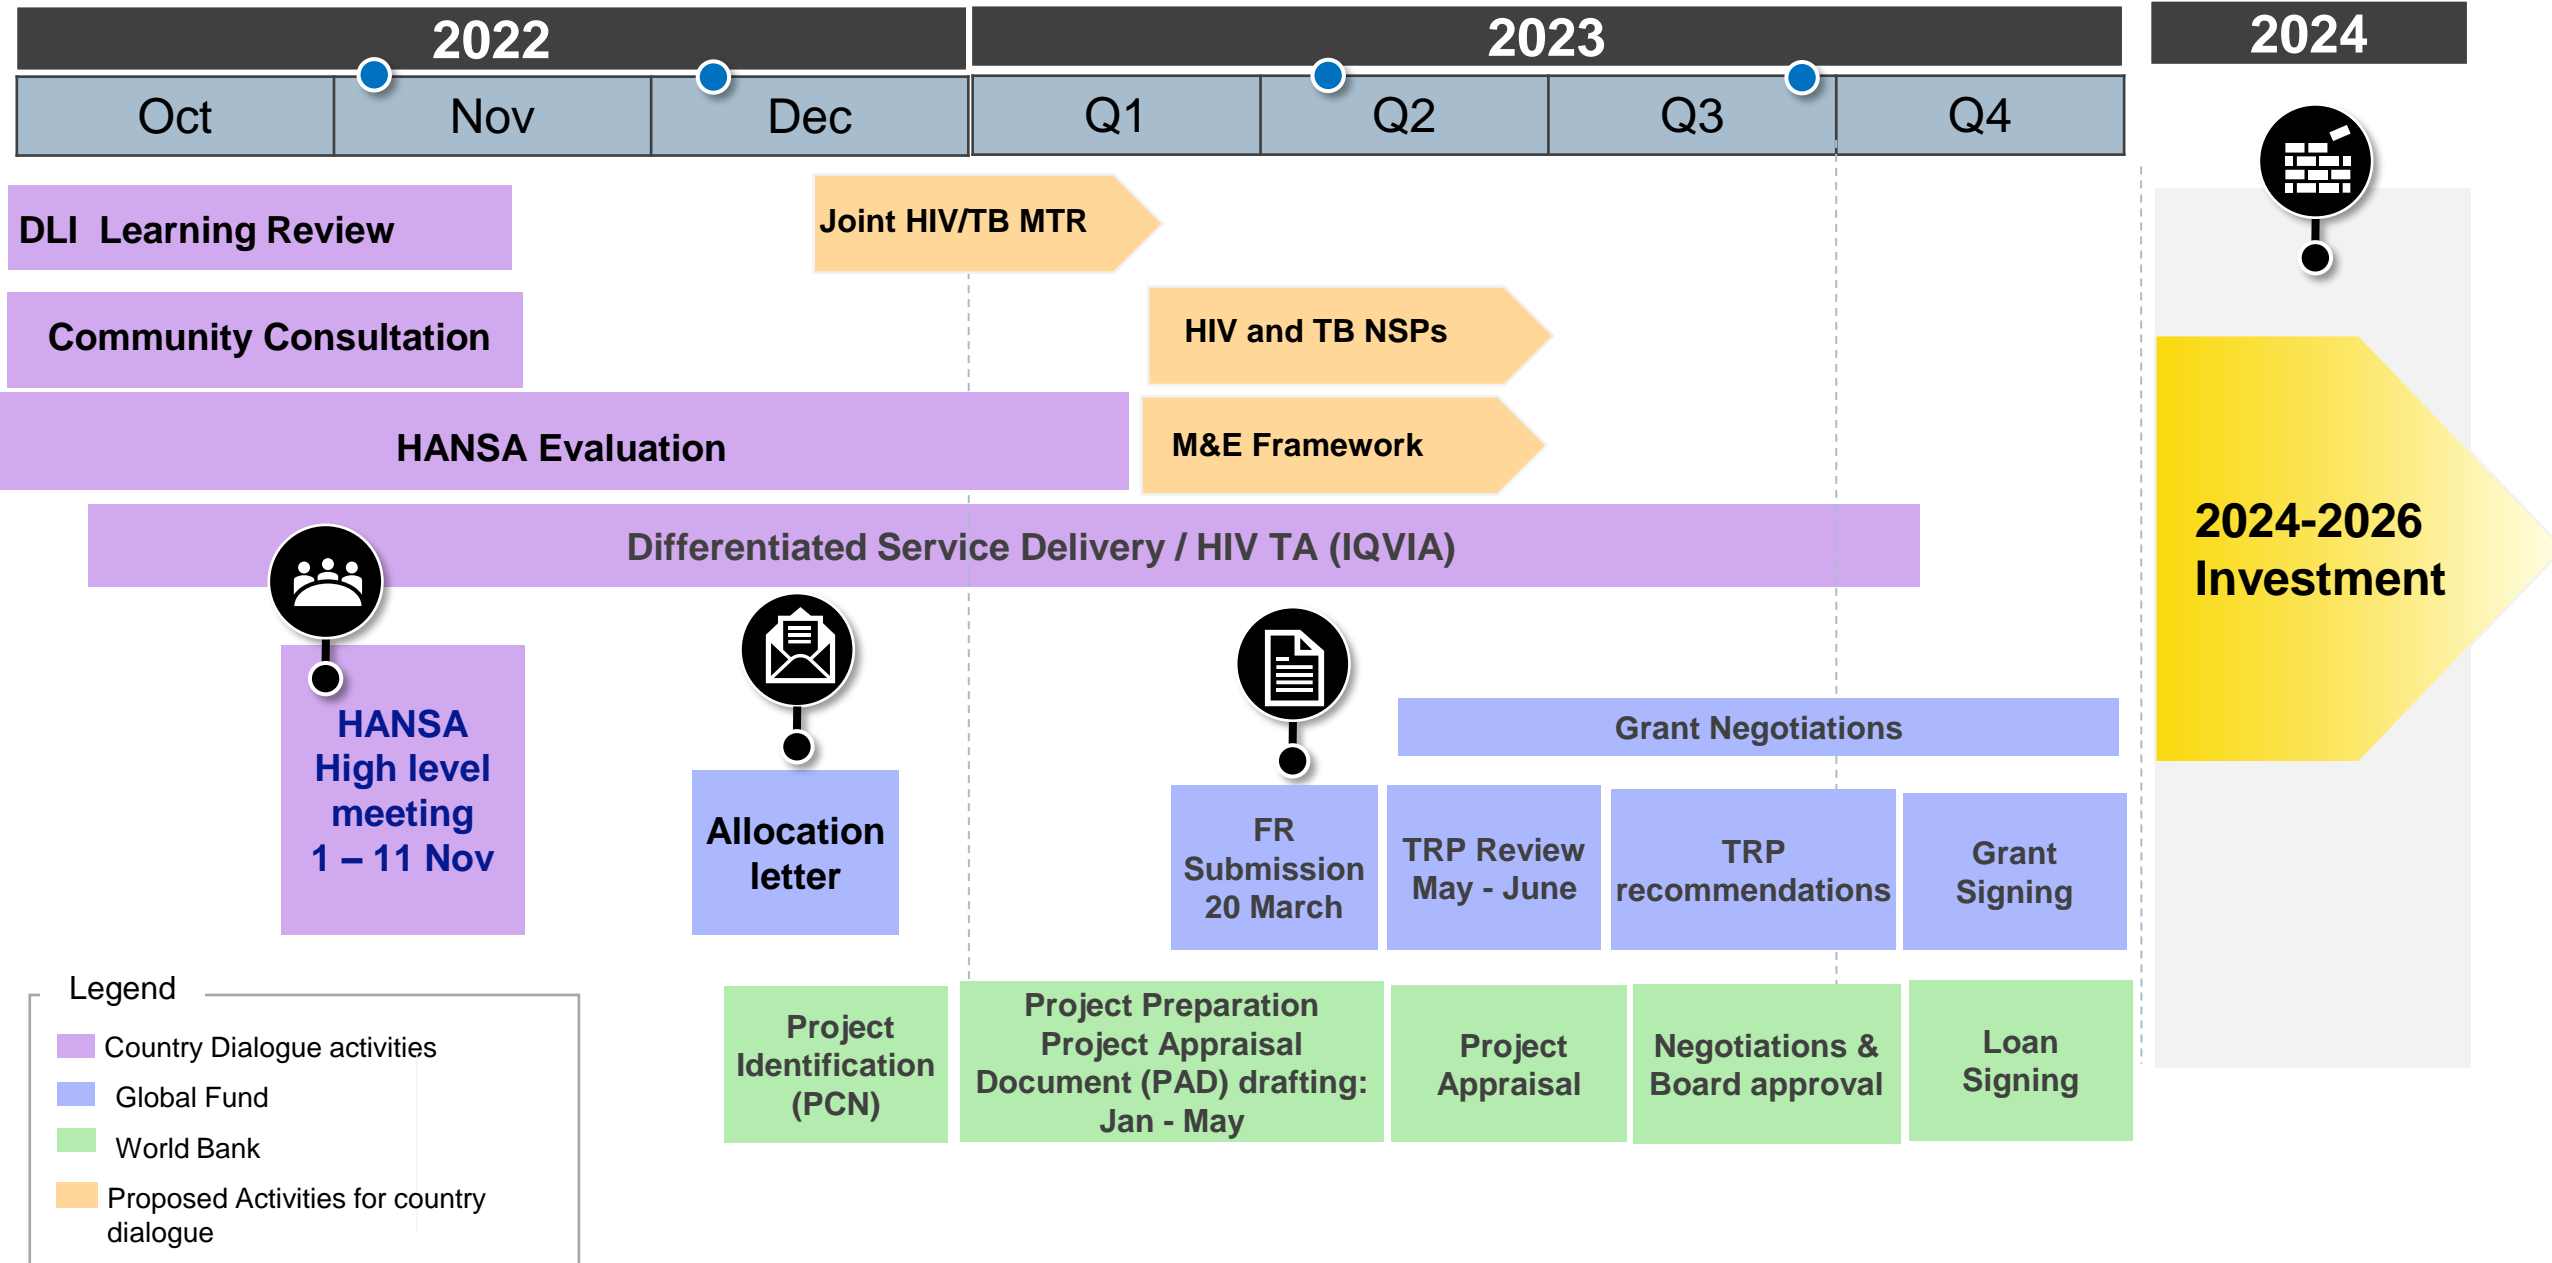

- All stakeholders involved in the response or impacted by the three diseases
- Review progress, challenges and opportunities to improve how you tackle these going forward
- **Inclusive, open, multi-stakeholder process:** led by the CCM and country-owned and driven
- Gives all stakeholders a voice in the development and agreement of key priorities

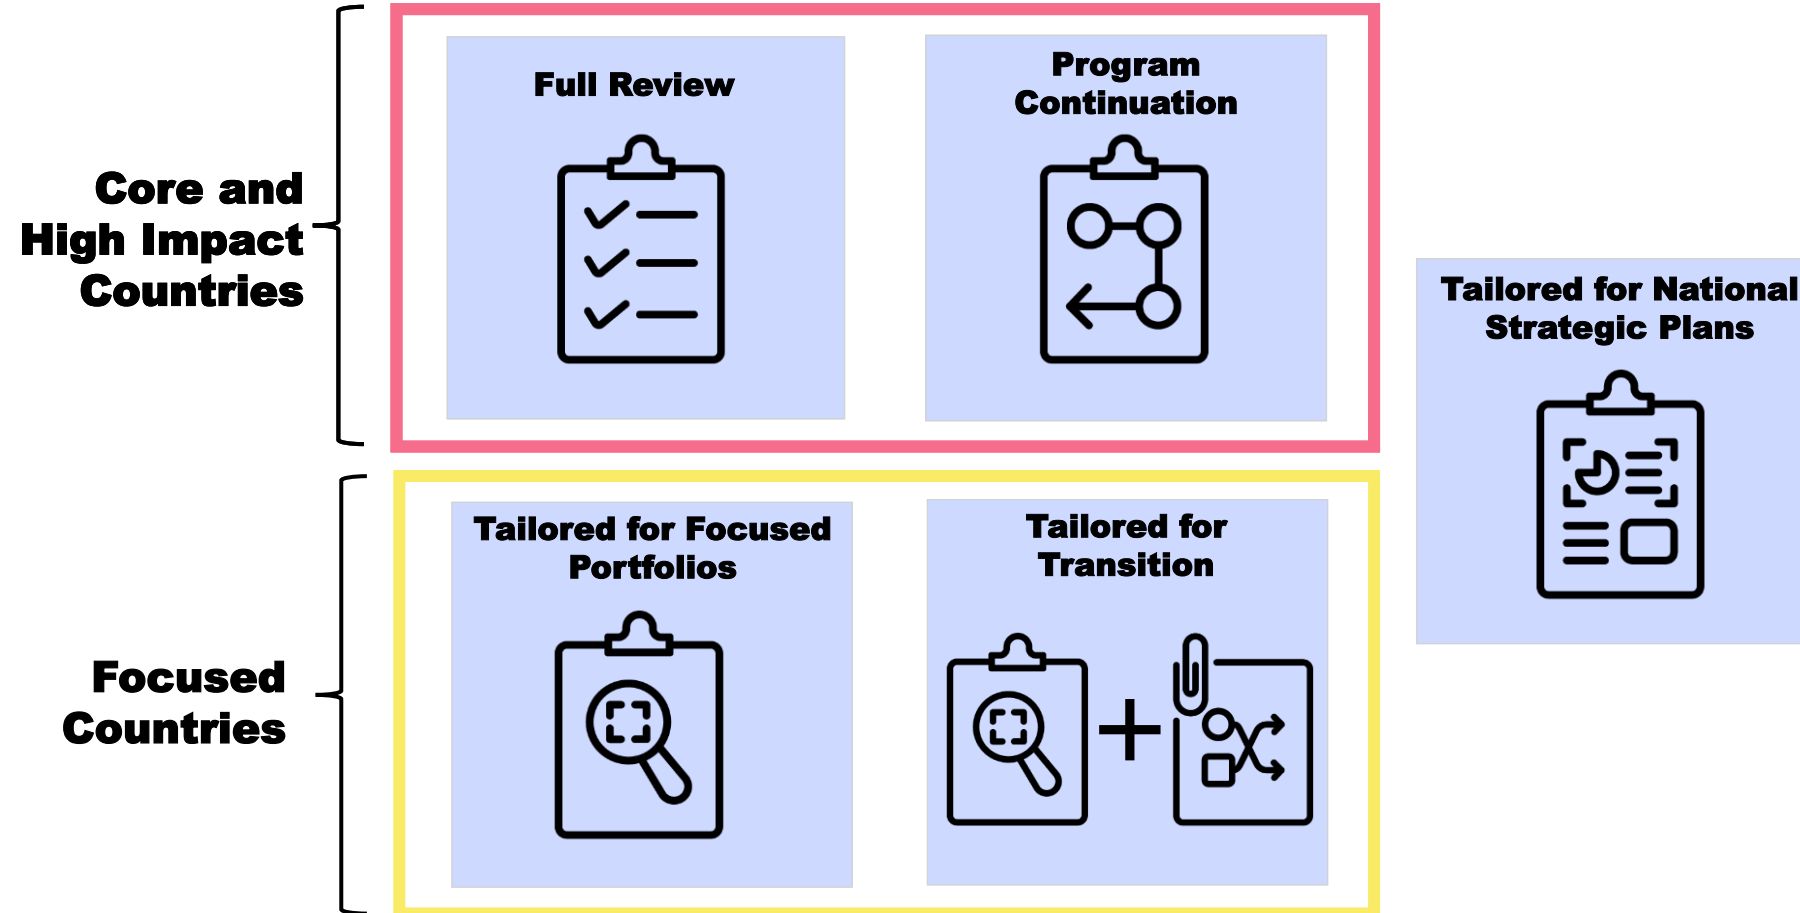

2.1 Country dialogue in Lao PDR

3. Timelines

4. Global Fund Application Approaches

Key Changes for 2023-2025:

- All templates adjusted to ensure alignment with new Strategy
- All templates optimized to ensure questions are clear and to reduce duplication in responses
- New mandatory annexes:
 - RSSH Gaps & Priorities
 - Funding Priorities from Civil Society & Communities
 - Country Dialogue Narrative

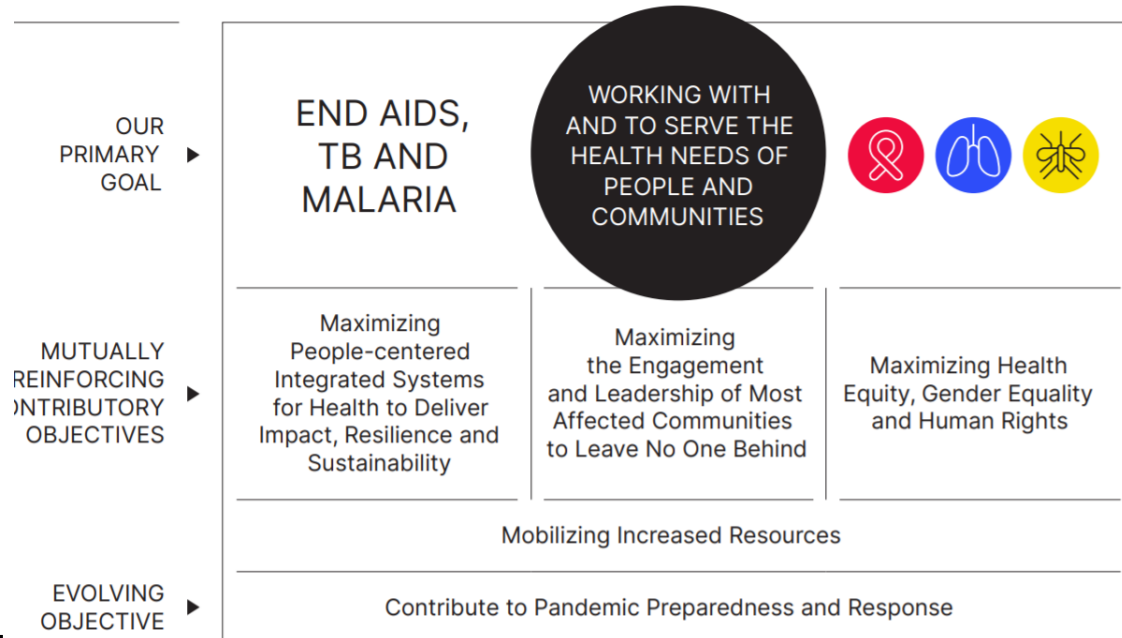

Global Fund Application Forms

<https://www.theglobalfund.org/en/applying-for-funding/design-and-submit-funding-requests/funding-request-forms-and-materials/>

Application Materials, Applicant Manual and Instructions have been published in the Global Fund website

New Global Fund Strategy: Emphasis on most affected communities; investments in resilient and sustainable systems for health and pandemic preparedness.

THE GLOBAL FUND

Funding Request Form
Tailored for Focused Portfolios and Tailored for Transition

Allocation Period 2023-2025

Summary Information

Country(s)	
Component(s)

Global Fund Application Forms

<https://www.theglobalfund.org/en/applying-for-funding/design-and-submit-funding-requests/funding-request-forms-and-materials/>

Section 1. Funding Request and Rationale

1.1. Prioritized request:

1.2. **Rationale:** Provide a short summary of the relevant epidemiological context and trends, health systems, and community needs that justifies the above request.

1.3. **Focus of Application Requirement:** Describe how the funding request complies with the focus of application requirements specified in the Allocation Letter.

1.4. **Matching Funds:** If Matching Funds were designated for the 2023-2025 allocation period:

A. Describe how integrating the Matching Funds will increase the impact and improve the outcome of the allocation for the Matching Funds area.

B. Describe how programmatic and access conditions have been met.

#.	

Performance indicator	Baseline	T1	T2	T3	Current indicators/indicators requested	Requested
<i>Add rows as relevant</i>						

Countries should discuss with their country teams if they are considering the use of a Payment for Results modality as the basis of the funding request.

Global Fund Application Forms

<https://www.theglobalfund.org/en/applying-for-funding/design-and-submit-funding-requests/funding-request-forms-and-materials/>

Section 2. Maximizing impact

- 2.1. **To meet national and global goals and objectives:** Describe how the prioritized funding request contributes to the following areas: (1) ending AIDS, TB and malaria and (2) strengthening the integration of health and/or community systems;

Section 3. Implementation

- 3.1. **Implementation Arrangements:** Describe changes to implementation arrangements which will maximize implementation effectiveness and optimize efficiency.
- 3.2. Describe the role that community-based and community-led organizations will have in implementing programs supported by the Global Fund.
 - A. Describe how co-financing will increase over the 2023-2025 allocation period. Describe the remaining funding gaps from domestic or other resources. Describe how co-financing commitments will be tracked and reported.
 - B. Describe how co-financing will increase over the 2023-2025 allocation period and specific programmatic areas supported by domestic co-financing. If co-financing commitments have not been fully met, provide a justification as to why.
 - C. Describe how co-financing will increase over the 2023-2025 allocation period. Indicate the focus of additional domestic investments in specific programmatic areas. Describe the planned actions to address the remaining funding gaps from domestic or other resources. Describe how co-financing commitments will be tracked and reported.
 - D. If applicable, describe specific arrangements and modalities related to innovative financing approaches linked to this funding request and/or the national responses, with a specific focus on blended finance, joint investments, and Debt2Health.
